

Fiona sandwich Summer Sewing Camp

Prep your blocks and your travel gear, we're having a virtual Summer Camp!

This Summer Camp is designed to grow your creative muscle. Every person is wildly creative, and it's a muscle that needs to be exercised in order to grow!

The rules:

You must use Fiona Sandwich blocks (on a budget? Use the Road Trip pattern)

You can use either EPP or FPP methods.

No double dipping on activities. Each activity is a different block.

Save your photos so you can submit them at the end of the summer for prizes.

Sewing must be between May 31 and Sept 6, 2021 (no previous blocks can be submitted).

Post photos to the Fiona Sandwich Quilt Along group, or on Instagram (you must have a public profile so I can see). Use hashtag **#fionasandwichsummercamp2021**

Prizes:

Each week, I'll choose a random winner with photos that were submitted that week, to win a free pattern.

Do 5 activities: get a \$10 gift card to fionasandwich.com

Do 12 activities, get a \$20 gift card to fionasandwich.com

Do 25 activities, get a \$50 gift card to fionasandwich.com

Print out the Sewing Log and keep track of your progress! The goal is not perfection.

Print out the Summer Camp logo, and iron it onto a shirt. No summer camp is complete without a souvenir!

Reach out to Rachael with any questions. rachael@fionasandwich.com

Summer Sewing Log

Please take a photo of each of these items. Post them to the Fiona Sandwich Quilt Along group. Each week I'll select a winner for a free National Park pattern. Color in the challenge as you complete them to keep track of your progress. The Sewing Log is not bingo style. Complete all the challenges, and get a \$50 gift card to Fiona Sandwich. Blocks must be sewn between May 31 and Sept 6, 2021.

make a pot holder with one 4.5" block

sew a block in a National Park

sew any 10 blocks

sew a site you've never been to

sew an animal block

brainstorm how to use a different block for a site not created

sew a block using only monochromatic colors

sew in the car/truck/RV

take a picture of a ranger holding your finished block

sew a vignette with 2 or more block (park signs don't count)

collect a patch for the fall National Park patch swap

take a picture of a block with the picture in the block

sew outside

use flower fabric in a block

sew any 5 blocks

make a block to show "night sky"

make a block to show sunset

use a color you've not yet used

make a block using only solids

sew on a boat/near water

find fabric that could be used for 3 different things

make a block using unusual colors

make something new by turning a block around

use the back side of fabric as the front

make the same block 2x: 1 day, 1 evening
