### Fabric Selection Tips:

Below are suggestions, based on the MODA Bella Solids Panel: My Favorite Color is Moda. There are differences between digitally printed and dye lots; please use the color suggestions as suggestions and not gospel. You don't need to rush out a purchase each solid I suggest! I would suggest purchasing the panel, and referring to the colors listed if you are stuck. Then use your imagination! Select fabrics in your stash! Feel free to change the colors to match your experiences in a park.

In homeopathy, there is a saying, "similimus similimum" - it's the law of similars. The law is not "exactamus exactimum" :) Choose SIMILAR fabrics, not exact fabrics!
